

## Navigating Around Restricted Area R-2508 Safely

The purpose of this briefing is to provide local area General and Commercial aviation stakeholders information and familiarization on the Military mission and flight activities typically occurring in the R-2508 Complex airspace 325+ days a year. The end goal being to better equip the communities of users with the knowledge, understanding, and methods that will allow them to safely navigate the diverse, and highly complex, 20,000sq nm Restricted airspace complex that is R-2508.

**Directions:** From Highway 99, East on Merle Haggard Drive/7th Standard Road. South on Airport Drive. Turn West at first traffic light, Skyway Drive.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
